Please turn over – you must answer all the questions on the back side to complete your application.

What classes would you like to take and how many per month?

Please describe any circumstances that make it impossible for you to pay full tuition for your dance classes.

Please give us a clear and complete history of your dance training.

Why have you chosen to study with Eveoke Dance Theatre?

Please tell us briefly about your commitment, interest, and attachment to dance.

Work Trade Program (WTP): This flexible program is suited for individuals who have time in their schedule to trade work for dance classes. One hour of work = one dance class. Duties could include studio maintenance, cleaning, paperwork, filing, canvassing, card making, special projects etc. There is no long term commitment required. You must work before taking class – you cannot work afterwards.

Tuition Assistance Program (TAP): This program is suited for individuals and families who are unable to pay full price for dance classes and who do not have time in their schedule for the work trade program. Students are required to make a one year commitment and pay a subsidized rate (between \$50-\$75 per month) for unlimited classes. We do not offer full scholarships or discounts on drop-in classes.

Teacher Training Program (TTP): This program is designed for dancers who want to pursue teaching dance in a diversity of ways and is by interview only. Participants are required to attend a weekly TTP class, volunteer in our education program, take 2 technique classes per week and complete weekly homework assignments. The program runs from fall to spring for 2 years. **This requires a separate application.** Email Erika at erika@eveoke.org if you are interested.
